Malolactic Ferm. **made in 225 liters barriques**
Ageing **in tonneau of Tronçais and Alliers for 12/18 months**
Bottling **in march 3 years after the harvest period.**

ORGANOLEPTICAL FEATURES

The wine has a deep colour with garnet hints. Sweet vanilla and a spicy hint given by ageing in wood add sweetness and flavour. In the mouth it is full and intense with a soft tannic structure that enhances a good finish.

GASTRONOMY

Excellent with lasagne, cannelloni and pasta or tagliatelle long pasta with meat sauce. Very good in combination with braised beef and beef stew. Try also with well strongly-flavoured cheeses and salamis.
